

How to Determine the Satisfactory Payment Arrangement Amount for The Spring 2020 Term?

Please verify if your student account is validated for the Spring 2020 Term by going to MyEOL and selecting **Student Account and Financial Validation Status**. If the message states you are not validated for the Spring 2020 Term, please follow step 1 thru step 3. **Course schedules will be cancelled for those students who have not made satisfactory payment by 4 p.m. on January 17, 2020.**

1st Please view your NCCU Certified Statement by Term online to determine the amount you need to pay to meet the Satisfactory Payment Arrangement criteria.

2nd If you have a balance due for any terms prior to the Spring 2020 Term, all of that prior balance must be paid in full online, by mail, or in person at the Cashier's Office.

3rd When you view your charges for the Spring 2020 Term, divide these charges in half and pay that half plus the \$25.00 Processing Fee online, by mail, or in person at the Cashier's Office.

If you choose to pay half of your bill during registration, you are automatically enrolled in the University Payment Plan and you will be assessed the \$25.00 Processing Fee. The other half of your Spring 2020 charges must be paid in 2 equal installments. The first installment is due by February 3, 2020 and the final installment is due by March 2, 2020. Failure to meet these installment payment deadlines of February 3, 2020 and/or March 2, 2020 will result in a \$20.00 installment late fee for each missed installment payment deadline.

4th Once your prior balance and ½ of your current semester charges have been paid plus the \$25.00 processing fee, you can verify if you have made satisfactory payment arrangements by selecting Student Account and Financial Validation Status. If you receive a message stating you are validated for the Spring 2020 Term, then you have made satisfactory payment arrangements for the Spring 2020 Term.

If you receive a message stating you are not validated for the Spring 2020 Term, please repeat step 1 thru step 3 until you receive the validated status message.

Please note: If you drop or add classes during the Spring 2020 registration process, your validation status may be affected. It is very important that you continue to check your validation status, to avoid being dropped from your Spring 2020 classes.
