Instructions: Student Resources page

[Show current page](#)

[< Back to Instructions](#)

You can add resources to several sections on the Student Resources page, using the form below.

Save Changes

Cancel

Section 1: Format Guidelines & Authoring Tools

Several items are displayed by default under Format Guidelines & Authoring Tools. You can add a resource before or after the default list. Provide descriptive text and upload a file or link to a web resource. [examples](#)

Add to beginning of list:

- Description/text to display: [Clear](#)
 Link label:
 Add link to website:
 Add File:
 Add Email link:
 Description only (no link, file or email address)

[Add another resource before standard items](#)

Default List:

[Online Submission: Frequently Asked Questions](#)
[Creating PDFs](#)

Add to end of list:

- Description/text to display: [Clear](#)
 Link label:
 Add link to website:
 Add File:
 Add Email link:
 Description only (no link, file or email address)

[Add another resource after standard items](#)

Section 2: Campus Resources

This is an optional section that some schools choose to include. Do you want to include this section?

- Include this section
 Don't include
