

### *Three-Year Track Course Sequence*

Students who have not completed all of the prerequisite courses can be admitted to the CSD Program. However, a student who has not completed each prerequisite course prior to enrollment should expect their timeframe for graduation to be extended. A student without a background will generally follow the course sequence below his or her first year in the graduate program before beginning required graduate coursework. With the exception of Aural Rehabilitation, each prerequisite course (see Section 3.2) must be completed before a student can enroll in clinical practicum. Students with a partial background must consult their advisors to determine the appropriate course sequence.

#### **Typical course sequence for students without background- First Year**

<b>Course Number</b>	<b>Course</b>	<b>Credit Hours</b>
<b>Fall</b>		
<b>EDSH 5710</b>	Anatomy & Physiology	3
<b>EDSH 5751</b>	Introduction to Audiology	3
<b>EDSH 5725</b>	Speech Science	3
<b>*EDU 4810</b>	Observation	1
<b>*EDGR 5910</b>	Statistics	3
		Total: 9 (10-13) hrs
<b>Spring</b>		
<b>EDSH 5730</b>	Phonetics	3
<b>EDSH 5700</b>	Speech & Language Development	3
<b>EDSH 5752</b>	Aural Rehabilitation	3
<b>*EDU 4810</b>	Observation	1
<b>*EDGR 5910</b>	Statistics	3
		Total: 9 (10-13) hrs

Note: Students should take EDGR 5910 Statistics during this first year if required. EDU 4810 can be taken Fall or Spring semester.
