**Students do not write or enter text below this line.**

The signatures of the program coordinator and school dean confirms that the following has been discussed with the student:

- remaining courses that must be completed for both degree programs
- must complete graduation requirements for both degrees before applying for graduation
- if the student does graduate from one of the two degree programs, before completing requirements for both degrees, the student's enrollment will no longer be dual degree, and the student will have to apply for admission in order to continue with the second major/degree
