

NCCU STUDENT CENTER

The NCCU Student Center is a 100,230 square-foot building that includes a large multi-use gathering space seating up to 1,000 people for conferences and banquets, small- and medium-sized conference rooms, administrative offices for student union operations, and office space for student organizations. An auditorium includes 1,750 seats. Additional facilities are provided for retail dining (Chick-fil-A, Panda Express, Freshens), public computer stations and student convenience needs.
