

Dear NCCU Class of 1987 Eagle,

The time is quickly approaching to return to the “sloping hills and verdant green” to celebrate our 35th class reunion! Please mark your calendar for November 3-6, 2022. North Carolina Central University’s Homecoming & Reunion Weekend is a long-standing tradition where alumni come together with their classmates to celebrate, get reacquainted and reminisce about their NCCU days. I wanted to take this opportunity to give you information regarding our reunion celebration.

I serve as Chair of the Class of 1987 committee. I am working hard to ensure that this reunion is memorable and that you each leave with new memories of our dear old NCCU! I need your help, so I hope you will consider serving as a committee volunteer. Please let me know if you are interested as soon as possible.

We will be sending correspondence frequently over the next few months, and it is imperative that we have your correct contact information and an updated email address that you check frequently. Use this link to update any outdated contact information to ensure your information is correct: <https://myeol.nccu.edu/webform/update-alumni-contact-info>.

Also, help us spread the word about the reunion to other classmates, and share the link with them as well. We have also created a Facebook page that will be used to share updates, announcements and memories from your campus days. Search for “NCCU Class of 1987”.

Lastly, our reunion class gift goal is \$40,400 (we have set a stretch goal of \$100,000). We are asking our classmates to consider making a gift of \$1,000.00 or more, but no gift amount is too small. Can we count on your support to help us reach our goal? As a reminder, all donations must be received by October 31, 2022 in order to count toward your reunion goal. Gifts may be made online at <https://www.nccu.edu/institutional-advancement/giving-online>. Your tax-deductible donation helps strengthen the current and future success of NCCU and paves the way for our students to become leaders.

The weekend schedule of events and other important details will be provided to you in the coming months, but we can now share our Class of 1997 host hotel information:
