

Dear NCCU Class of 2007 Eagle,

The time is quickly approaching to return to the “sloping hills and verdant green” to celebrate your 15-year class reunion! Please mark your calendar for November 3-6, 2022. North Carolina Central University’s Homecoming & Reunion Weekend is a long-standing tradition where alumni come together with their classmates to celebrate, get reacquainted, and reminisce about their NCCU days. We want to take this opportunity to give you information regarding your reunion celebration.

The Office of Alumni Relations needs your help to ensure that your reunion is a success. We are especially looking for a volunteer to serve as lead coordinator for your class reunion, and also for additional volunteers to help create and manage your social media platforms to ensure that everyone receives announcements effectively and efficiently. Please consider serving as a committee volunteer. Contact our office as soon as possible at alumni@nccu.edu if you are interested in helping.

Correspondence will be sent out frequently over the next few months, and it is imperative that we have your correct contact information and an updated email address that you check frequently. Use this link to update any outdated contact information to ensure your information is correct: <https://myeol.nccu.edu/webform/update-alumni-contact-info>.

Also, help us spread the word about the reunion to other classmates, and share the link with them as well. We also want your class committee to create a Class of 2007 Facebook page that will be used to share updates, announcements and memories from your campus days, so stay tuned!

Lastly, your reunion class gift goal is \$13,500. Can we count on your support to help reach this goal? All donations must be received by October 31, 2022 in order to count toward your reunion goal. Gifts may be made online at <https://www.nccu.edu/institutional-advancement/giving-online> . Your tax-deductible donation helps strengthen the current and future success of NCCU, and paves the way for our students to become leaders.

Your host hotel for the reunion weekend is shown below. Reunion events will begin on Thursday evening, November 3, 2022, with the All Class Reunion Banquet, so please consider this when making your reservation.
