2023 School of Business Summer Camps

The School of Business Summer Camps

The School of Business Summer Camps are the ultimate summer learning experience for teenagers to get a taste of college life! Our camps provide a one-of-a-kind opportunity for teens to learn more about exciting careers in Accounting, Entrepreneurship, Cybersecurity, and Wealth Management. Led by experienced professionals and taught through hands-on experiences and interactive learning, teens will be immersed in their chosen area of interest, and learn from the best in the business. Whether your teen is

interested in launching their own startup, learning about cyber threats and how to protect against them, or building robots, our summer camps provide a fun, innovative, and engaging way to explore their passions and interests. By participating in our camps, teens gain valuable skills, equipping them to achieve their future goals. We invite you to join us for an exciting, unforgettable summer of exploration and discovery at the School of Business Summer Camps!

Opportunities to discover and develop business skills

Dynamic and immersive learning experiences in business management

Guidance and mentoring from experienced professionals

Unparalleled creativity and skill development opportunities

A journey towards becoming a successful entrepreneur and business leader

Isaiah Tidwell Accounting Program: BASE Camp

Program Dates: June 19th – June 23rd 9 am – 4 pm

The Business Accounting Summer Enrichment (BASE) Camp is an excellent opportunity for teens to discover and develop their business skills, with dynamic and immersive learning experiences in accounting and business management. The camp provides an exceptional platform for teenagers who are interested in the accounting field, to learn valuable skills that can help them in their future careers. Participants will also have a chance to network with industry professionals, creating new opportunities for their future growth. The Accounting Summer Camp is the perfect way to gain an in-depth understanding of the accounting profession, develop essential skills, and build a strong foundation for a successful career in finance. Give your teenager a learning experience they'll never forget, and sign up for the Accounting Summer Camp today!

CEED: Entrepreneurship Camp

Program Dates: June 19th – June 30th 9 am – 3 pm

The Entrepreneurship Summer Camp is the perfect opportunity for teens to develop and explore their entrepreneurial skills. This exciting summer camp offers a hands-on experience where teens will learn the essentials of entrepreneurship, including developing a business idea, creating a brand, managing finances, and making presentations. Participants will be given the opportunity to meet with successful entrepreneurs, who will share their experiences and provide advice. Our campers will get the chance to network with other like-minded teens and gain valuable experience pitching their ideas and building their businesses by fostering critical thinking, creativity, and problem-solving skills. This camp provides teens with the tools required to become successful entrepreneurs.

Cyber Security: Highschool Summer Camp

Program Dates: June 26th – June 30th 9 am – 4 pm

Looking for an exciting summer learning opportunity in the world of cybersecurity? Look no further than the Cybersecurity Summer Camp! This unique summer camp offers an immersive experience where teens will learn to repair computers, work with robots, and explore the world of cybersecurity through hands-on activities led by experienced instructors. Cyber Warriors camp gives teens an opportunity to learn the latest techniques to stay safe online by introducing them to the world of cyber security, and the importance of protecting our digital assets. Not only will campers have tons of fun, but they will also develop critical skills necessary in this area for future career opportunities. Participants will also earn a certificate at the end of the week. Join us for an unforgettable summer and start your journey towards becoming a cybersecurity expert!

Peggy Ward Financial Education Center: APEX Academy Wealth Management Camp

Program Dates: July 10th – July 14th 9 am – 4 pm

Teens can get ready to take steps towards financial independence with the Peggy Ward Financial Education Center (PW FEC) Apex Academy. This weeklong, action-packed summer camp provides an engaging and interactive opportunity for teenagers to learn valuable financial skills and prepare for their futures. Designed for high school students, this exciting camp will teach them the critical elements of wealth management and expand their horizons through teamwork and challenges. They'll also be a part of a dynamic group and compete for cool individual and team prizes.
