Organize a Collection Drive: We would love to support you in hosting a collection drive for your community group or organization! Please contact campuspantry@nccu.edu to discuss details and opportunities for collaboration.

We aim to provide the Eagles community with safe, accessible, and nutritious food and meals. We encourage people willing to make a donation to the Pantry to consider the following:

1. **Does this donation have expiration dates that have passed? Does the donation have any dents, rust, or other signs of age?** *Items in this condition are not safe for our community and will likely be disposed of. We CANNOT accept expired items.*
2. **Is this donation nonperishable without refrigeration? Is this item easy to (1) open and (2) cook with limited kitchen materials?** *We STRONGLY encourage pop-tab/pull-tab canned goods only.*
3. **Does this donation contain items you would eat? Does this donation provide the ability to prepare a healthy dish or snack?** *Unhealthy and uncommon meal items may not be able to be used by our community and will limit the capacity and storage of the Pantry.*
