

HOW TO LOOK-UP CLASSES USING BANNER 9

From the MyEOL Home page, select the “Class Search” Button.

You will then select the term from the drop down menu:

The term will list “View Only” before the registration window opens and after the registration window closes.

In the first text box on the Browse Classes Page, input the subject and course number for the class(es) you would like to search for. Click “Search” at the bottom of the page once finished.

You can input multiple classes at once.

*It is also helpful to check the “Open Sections Only” checkbox at the top of the page to filter out classes that are already at capacity.

A screen will appear that list all available class sections for the classes you input on the previous screen.
