

Creating An Inclusive And Supportive Learning Environment

Create an optimal environment that supports learning, increases engagement, embraces diversity, and helps students persist in meeting academic challenges. ACUE's **Creating an Inclusive and Supportive Learning Environment** course equips instructors with evidence-based teaching practices that help them start the term strong, ensure equitable access to learning, and provide feedback necessary for students to improve their performance. Completing this course is one step toward becoming certified in ACUE's Effective Teaching Practice Framework, endorsed by the American Council on Education (ACE). This course contains 7 modules that take approximately 8 weeks to complete.
