DEAN'S UPDATE

As we celebrate Black History Month, we honor the brilliance, resilience, and leadership of Black individuals whose contributions have shaped our communities, our institution, and our future.

University College displays new Graduation Banners for the Classes of 2028, 2029, and 2030. Students are encouraged to sign them as a commitment to graduate efficiently.

We're offering more programming for students with Early Warning Grades than ever before (see Collaboration Corner on Page 2).

Eagle Pride, Amplified!

NAVIGATE POWER MOVE: RUN REPORTS

- Did you know? EAB Navigate can pull common reports, such as students enrolled in a particular course or in a particular term. Click on Advanced Search (magnifying glass on the left navigation)

DATA SPOTLIGHT: STUDENT ATHLETE GPA

3.30

**FALL 2025
AVERAGE CUMULATIVE GPA**

This matches the record for average cumulative GPA for all student athletes in the fall semester. All 13 sports, plus Varsity Cheerleading, have an average cumulative GPA of 3.0 or higher. Women's and Men's Tennis both finished with average cumulative GPAs above 3.70.

CALL TO ACTION: UPCOMING MIDTERM GRADES

Faculty, midterm grades are due on February 27, 2026. We encourage ALL faculty to submit midterm grades. University College reaches out to every student with fewer than 53 earned hours and midterm grades.

We require students with at least 1 D or F grade from midterms to attend the Save the Grade event in March (offered multiple times to fit students' schedules) to learn about Academic Resources
