## STATEMENT OF FINANCIAL RESPONSIBILITY

As a single student, you are required to certify that you have a minimum of **\$68,955** on deposit for the first year of study. If you are relying on a sponsor for support, the sponsor must provide proof that he/she has at least **\$68,955** on deposit and certify full support for the duration of your program. You must show source of support for the full expected term of study at NCCU, even if you hope to finish in less time. A student who plans to study in the United States (US) in the summer will need approximately \$7,000 for the three-month period.

Please note that international students are not eligible for financial aid or student loans. International students are responsible for all costs associated with their study in the U.S. (tuition, fees, books, and living expenses) even if a sponsor is delinquent with his or her financial support. Also note that any type of scholarships, fellowships, or assistantships received that are above and beyond tuition, fees and books are subject to a 14% tax withholding as required by the U.S. Federal Government and will be applied to your student bill each semester.

Tuition and fees must be paid in full to the NCCU Cashier's Office by the start of classes. Tuition and fees are subject to change without notification. You may submit an original set of your financial documentation by mail or electronic copy to the Office of International Affairs at [oiass@nccu.edu](mailto:oiass@nccu.edu).
