2025 Campus Hazing Transparency Report

Pursuant to the Stop Campus Hazing Act amendments to the Jeanne Clery Campus Safety Act (Clery Act), all postsecondary institutions participating in the Higher Education Act's Title IV student financial assistance programs are required to compile, publish, and update at least twice each year, a Campus Hazing Transparency Report. The report discloses reported hazing incidents that resulted in a finding of responsibility for a student organization. The first Campus Hazing Transparency Report must be published by December 23, 2025, and includes findings of responsibility of substantiated hazing incidents occurring on or after July 1, 2025.

2024 – 2025 Academic Year
